

REMARKS

This amendment cancels rejected claims 1, and 13-15 and rewrites claims 2 and 16-19 as claims 21-25 to overcome objection for dependence on rejected base claim. The application is believed to be in condition for allowance.

In the event the Examiner persists in any of the rejections, it is respectfully requested that the Examiner telephone the undersigned attorney for applicant in order to discuss the application and to expedite prosecution thereof.
